## QUEER BOTANY SERIES

---

**4 TUESDAYS**  
**5PM - 6:30PM**  
**AT OUR GREENHOUSES**  
**IN HINESBURG**

This series invites LGBTQIA+ folks and allies to explore the plant world through a queer lens and incorporate this knowledge into their own botanizing and gardening practices. We will learn some basic botany and explore our relationships with plants. The classes are interactive and designed for experienced gardeners and budding plant nerds alike. **Want to find the queerest plant in your neighborhood? This is the class for you!**

Sign up for a single class or take the whole series. Space is limited to 12 participants per class. Classes are \$15 each; scholarships and discounts are available. Registration required.
